Plumbers Will Elect Representative To Students' Council

Four Men Standing As Candidates For Engineering Position

BY-ELECTION

Student Body To Choose Society President Wednesday

Engineering students go to the polls today in a by-election to elect a Faculty representative to the Students' Executive Council to replace the vacancy created by the resignation of Reginald S. Newton, Engineering 3. The four candidates standing for election are: John D. Shortall, President of the Newman Club; Philip B. French, member of the water polo team and star swimmer and diver; Douglas H. Cross, water polo player; and Oakland K. Ross, Junior Prom Committee representative.

This Wednesday the whole student body will likewise go to the polls in a by-election to elect a president of the Students' Society. This election is necessitated by the resignation of A. Deane Nesbitt last December. Five men were officially nominated for the position, but two resigned leaving only three to contest the seat. The following are the candidates: Deane Nesbitt, the resigning president and a past president of the Engineering Undergraduates Society; Gerald Halpenny, Medicine 4, Faculty representative to the Students' Council and member of the football and basketball teams; and John Hutchins, Law 1, captain of the Track and Field team and past president of the Scarlet Key Society.

Withdrawn Nominees

The two nominees who withdrew from the race are Allan Talbot, former Editor-in-Chief of the McGill Daily and President of the English Literature Society.

First Of Luncheon Lectures Tomorrow

Bishop Farthing To Speak At Opening Gathering

Bishop Farthing will be the guest speaker tomorrow at the first of a series of luncheon lectures to be held in the Union Grill Room at one o'clock each Tuesday for the next few weeks. The set of addresses is being held under the auspices of the Student Christian Movement. The luncheons, which will be at a reasonable price, will end before two o'clock and are open to all male students of the University.

"My Religion" is the theme of the whole series in which each of a wide variety of public men will discuss the value of religion to himself personally in an endeavour to point out what things have meant the most to them. The list of speakers at these meetings includes prominent personalities in the churches of this city who the committee feels are competent to deal with the subject in an informative and enlightening manner.

Executive Committee

The Committee in charge of these Tuesday noonday gatherings has been drawn from all the University and is composed of the following:

Alec Gordon, Austen Dettmers, Alan Barnes, Hugh Trimmingsham, Eli Kelloway, Verne Estano, Morton Bloomfield, Desmond Ritchie, Elston Fee, Gifford Mitchell, Arthur Marshall and Malcolm Ransom. Further information may be obtained from any of these or from Strathcona Hall.

Coeds Will Feature Impromptu Speaking

An impromptu speaking and debating competition is to feature the coming meeting of the Delta Sigma Society, which will be held in the R.V.C. Common Room on Thursday afternoon at four o'clock.

Each speaker will be allotted a subject just before they are scheduled to speak, and will be allowed two minutes to prepare their speech, and two minutes to deliver it. The subjects will all be of a very simple character, involving no technical knowledge or research.

All those interested in the competition are urged to sign the lists of names posted in the R.V.C. or those in the Common Room of the Arts Building. At the conclusion of the meeting tea will be served.

Heads Club

FRASER MACQUODALE, President of the McGill University Players' Club, who will present Andrejev's "He Who Gets Slapped" on Feb. 9, 10, 11.

Debating Union Will Have Active Season

Program For Second Term Includes Several Inter-collegiate Debates

"OLD BOYS' DEBATE"

Mock Parliament With U. of M. To Be Held February First

Several intercollegiate debates, a Graduates' debate and a Practice Night as well as other tentative plans, not as yet definitely arranged nor clearly defined, form part of an auspicious program drawn up for the second half of the college term by the McGill Union Debating Society, according to information received over the week-end. Letters have lately been received from Harvard and Dalhousie University requesting McGill's participation in a debate. The former wish to send a team up here while the latter wish a McGill team to visit them. The first request will in all probabilities be complied with and the proposed debate will take place some time in April. In the case of Dalhousie, however, the Debating Society will only send a team to Halifax provided that university will contribute enough money to help defray expenses of such a trip. Information on this matter will be known when Dalhousie reply to a letter that has been sent them.

Mock Parliament Soon

Plans of a more concrete nature include a Mock Parliament in which the University of Montreal will participate. This in all probabilities will be held on February 1st in the Ballroom of the Union. The subject under discussion will be "This House censures Great Britain and the United States for not having taken adequate steps to prevent Japan's encroachment on China." As in past years a University

Dr. Walter Speaks On Goethe Tuesday

Series of Lectures Ends Centenary Celebration

Concluding the series of lectures celebrating the Goethe Centenary, the first portion of which were given last year, the Montreal Branch of the Goethe Society of America will sponsor a series of four lectures to be given at Moyse Hall. The first of this series will be delivered tomorrow evening, at 8.30, by Prof. H. Walter, head of the Department of Germanic Languages at McGill, and will be entitled, "Goethe and Music." In conjunction with this, a number of Goethelectures will be sung.

On Jan. 31st, Prof. W. L. Graff will speak on "Weimar and the German Theatre," which will be followed on Feb. 7th, by an address on Goethe in France," which will be given by Prof. Felix Walter, of the University of Toronto. The series will be brought to a close on Tuesday, Feb. 14th, when Prof. A. S. Noad will discuss "Goethe in Italian Literature."

The public is cordially invited to these lectures, which should prove to be of a very interesting nature, and which will be delivered in English.

English Play Casting

Casting for the next English Department play, "David Garrick," will take place today between two and half past five this afternoon in Moyse Hall. All who wish to try for parts should report backstage to Miss Gray.

Newspaper Articles Should Be Accurate, Clear And Readable

Mr. J. Kidman Addresses Daily Reporters On Newspaper Writing

FIRST OF SERIES

Prime Requisites For Good Stories Illustrated by Actual Articles

Clarity, dignity, accuracy, readability, proportion, literary note, and news value—these are the seven prime requisites constituting a good newspaper story, according to Mr. John Kidman, assistant city editor of the Montreal Gazette, who addressed a group of Daily reporters gathered in the Union on Friday night. This lecture, essentially in the nature of an experiment, was the first of a projected series of addresses by prominent local newspapermen, and dealing with various angles of journalism.

The first point to bear in mind in writing a newspaper story, stated the speaker, is to make it so clear that the reader of the paper will be able to visualize what has happened and receive a correct account and impression. A reporter should also learn to condense, for in most cases all that has happened cannot be printed. However, it is important that the main points be emphasized and any superfluous matter omitted.

Importance of Lead

The speaker emphasized the importance of the lead as constituting in a single paragraph, or so, the main feature of the story so that the reader may be able to see at a glance all that has happened. In every story there should be a reasoned order and logical development but not necessarily chronological.

The speaker then stated the necessity of having authority behind all newspaper stories and this requisite is especially needed in the case of personal matters, such as marriages, engagements and deaths. Any information

S.A. Students Will Arrive Here Friday

To Be Entertained By Scarlet Key During Ten-Day Stay

Twenty-four South African students, seven men and seventeen women, will arrive in Montreal this Friday for a two-day visit. During their stay, they will be extensively entertained by the Scarlet Key Society. They will be officially welcomed by Col. Bovey at a luncheon at the Union. They will then be shown around the city, visiting the Notre Dame Cathedral, Chateau de Ramezay, Church of St. Andrew and St. Paul, Art Gallery and the Harbour.

On Saturday they will be shown around the University, and will listen to the address given by the Marquis of Zetland, at Moyse Hall. They will have dinner at the Union and will later leave for Toronto. The group is travelling under the auspices of National Student Federation of America, and will visit some of the principal cities of the United States.

Speaks on Old English Inns

Old English Inns, especially those with Dickensian associations, will be the theme of an address by Philip J. Turner, F.R.I.B.A., at the Dickens Fellowship in Victoria Hall on Tuesday evening. The lecture will be illustrated with lantern views. Mrs. Whitfield Aston, contralto, will sing. A. E. Stevens, president, will be in the chair.

The Fellowship also announces that the 121st birthday of Charles Dickens on Tuesday, February 7, will be honored with a banquet in the Adam Dining Room at Jas. A. Ogilvy's, Limited.

Montreal Classical Club

A meeting of the Montreal Classical Club will be held this Thursday in the R.V.C. The speakers for the occasion will be P. M. T. Beatts, "Greek Influences on Roman Education," and J. B. Millward, "Roman Superstition." An admission fee of a quarter will be charged.

McGill Graduates Broadcast

G. B. Glasco, executive-secretary of the McGill Graduates' Society and director of its employment bureau, will give a radio address on "Why We Conduct an Employment Bureau" over Station OKAC, under the auspices of the society, on Monday at 10.30 p.m.

Black Sheep Will Make Appearance On February 2nd.

THE BLACK SHEEP, newest offspring of campus literary endeavour will make its first appearance on Wednesday, February 2nd, the editors of the magazine announced last night. Contributions to this magazine will be accepted until Friday of this week.

Although the contents of the issue are being kept secret until the magazine comes out, it is understood from remarks let drop by the editors that the note running through the Black Sheep will be the "what the hell" attitude, satirizing several campus organizations and personalities, besides articles and verses of general interest.

All those who have books of subscription blanks are asked to make an effort to complete the sale of their books as soon as possible. The books should be turned in to the managing editor by Friday at the latest as the total list of subscribers must be made out.

Distinguished Peer Will Lecture Here

Marquess Of Zetland To Speak On Student Life In India

MOYSE HALL

Noted As Statesman In India And As Biographer Of Lord Curzon

Students of the University will have an opportunity of significant importance to gain an insight to an heretofore neglected phase in their knowledge of India, when that eminent statesman and author, and authority on Indian Affairs, the Marquis of Zetland will deliver an address on "Student Life in India," at Moyse Hall, on Jan. 28th next. The Marquis has come to Canada as the guest of the National Council of Education, and will be in Montreal from Jan. 28th to the 31st.

Fully qualified to speak on any phase of the Indian question, Lord Zetland's visit will be particularly timely, with Indian affairs so much in the public eye as they are at present. Coming from a distinguished family which for generations has been interested in the destiny of England in India, Lord Zetland spent ten years after his graduation from college, in travel; always interested in Eastern affairs, he spent a good deal of that time in Oriental countries, particularly in India.

Theologs Hold Teas To Aid Unemployed

To Be Given Every Second Friday Afternoon

On Friday afternoon in Divinity Hall, the Theologs held their third successful tea for the benefit of the unemployed. There was a large attendance of students as well as outsiders. Tea was poured by Mrs. Farthing and Mrs. Naylor.

The Committee of Unemployment of the Theological Colleges, who are in charge of the teas, plan on having one every second Friday throughout the session. The proceeds are used to support and educate several unemployed young men. As the relief fund becomes greater, the number provided for will be increased. It is with this object in view, and through the co-operation of the English Department, that "The Comedy of Errors" is being presented next Friday and Saturday in Moyse Hall. The Committee hope that everyone will lend their support in order that this meritorious work may be continued, and help extended to a larger number.

English Baritone To Sing

Norman Motley, baritone, and a member of the English Singers, famous exponents of Elizabethan song, will be heard here in recital at the Royal Victoria College on Friday evening, February 3.

Mr. Motley has been with the English Singers for nine years and has toured the world with them, singing with the sextet in Europe, America and Asia.

Several Composers Competing In Song And March Contest

Mr. Irving Cooper of The McGill Conservatory Submits March

CLOSES NEXT WEEK

All Compositions Must Be Handed In Before January Thirty-One

With the closing date for the McGill March and Students' Songs competition little more than a week away the large number of students and graduates who signified their intention to submit compositions are warned to do so without delay by the Committee in charge. Compositions have already been received from Mr. Irving Cooper of the McGill Conservatory of Music; M. Duchow, Bob Freeman, and others.

The object of this contest, which started two months ago, was to obtain one really good Marching Song for use by the University Band at football and hockey games together with several Students' Songs with original tunes. With this end in view the Graduates Society and the Students Council agreed that two prizes to the value of \$25 each would be given, one to the composer of the best Marching Song submitted and the other to the composer of the best Students' Song. The large number of contestants intending to submit compositions are, in the main, however, not entering as prize-seekers but as contributors towards a determined effort to raise the standard of McGill songs.

Simplicity Important

The March is to be judged on its musical qualities with simplicity of major importance. Preferably it is to be built around one simple melody, which could be easily learned and sung. "Anchors Aweigh" of the U. S. Continued on Page 4

To Award Students Medal For Essays

Subject To Deal With Canadian Confederation

Six Confederation medals are being offered at McGill in an essay competition open to undergraduates in any faculty or to graduate students proceeding to the Master's degree. It will be recalled that in 1927, in connection with the celebration of the Diamond Jubilee of Confederation, six medals were offered for competition at McGill by the National Committee, two gold, two silver, and two bronze. No essay being received worthy of an award, these are again being offered this year.

Any of the following subjects may be chosen:

- 1.—The influence of the American constitution on the making of the British North America Act of 1867.
- 2.—Confederation and the development of Western Canada from 1867 to 1900.
- 3.—The Party system of government in Canada since Confederation.
- 4.—Quebec's part in the Confederation agreements.
- 5.—Joseph Howe and Confederation.
- 6.—George Brown and Confederation.

Essays must not exceed 6000 words and must be handed in to the Registrar on or before April 15th, 1933. These medals are in the library on exhibition.

Workshop Department Will Discuss Plans This Tuesday

Four McGill Students have written plays for the consideration of the Workshop Department, and it is expected that some, if not all of these plays, will be given at one of the future presentations of the Club.

An important meeting of the Workshop is to be held tomorrow, when the names of the three plays to be given at the next set of plays will be announced. Tuesday, February 21st, is the date chosen for the third Workshop presentation, and work for this will be getting underway in the course of the week.

Other interesting announcements are to be made at Tuesday's meeting and it is expected that a full-turn out of members will be present.

"Atomic Structure" Subject

Under the auspices of the Society of Chemical Industry, Dr. William H. Barnes, lecturer in chemistry at McGill University, will lecture in the McGill Chemistry Building next Wednesday evening. His subject will be "Atomic Structure."

Band Will Gather For Banquet Prior To Varsity Game

A WEEK today the McGill University Band will hold its annual banquet, after which all the members will parade to the Forum, where the McGill Senior Hockey team will meet Varsity for the second time this season.

On January 28th, a band practice will be held in the Ballroom of the Union, at two o'clock, in preparation for the game. The same afternoon the band will have its picture taken for the Annual.

The Banquet will commence at six o'clock sharp, as the full program for the evening will not permit of any time being wasted. It will be held as usual in the Union, and the price will be very moderate.

After the Dinner, a business meeting will be held and the officers for next year elected. Following this, the complete band will proceed to the Forum, in full uniform, including white flannels, band sweater, cap and black tie.

Great Tribute Paid To Lord Strathcona

Mrs. Vaughan Outlines History Of Co-Education At McGill

ADMITTED IN 1884

Present Time Has Need Of Successor To First Benefactor

On Friday evening Mrs. Walter Vaughan, warden of R. V. C., gave a radio address from Station OKAC, under the auspices of the McGill Graduates. The subject was "The Women's College of McGill University and Its Founder."

Mrs. Vaughan opened by paying tribute to the memory of Miss Helen Gairdner, former secretary for women students, who died last August. She was one of a group who approached Dr. Dawson and secured his aid in the organization of the Ladies' Educational Association.

Supplied Funds

Soon after the formation of this Association a number of graduates of the Girls' High School asked to be received as regular students and proceeded to the B.A. degree. To the Governing Board and Professors of McGill of 1884, co-education was unthinkable, and there was no money for separate education. Mr. Donald A. Smith, a wealthy man of many interests, finding that the problem required for lecture duplication and provision of rooms, he placed at the disposal of the Bursar a sum equal to that which James McGill had given to found the College which bears his name. The first women students were admitted in the session of 1884-1885, rooms for their accommodation being found in the East Wing.

A few years later, Sir Donald Smith more than doubled his original gift, and still later he increased it twice ten-fold, when he acquired a valuable site on Sherbrooke Street and erected there the stately building which, with her express permission, he named for the Sovereign who had lately made him a peer, the Royal Victoria College. It was as Lord Strathcona, Canadian High Commissioner in London, that the students of the new College knew their founder.

The executive likewise wish to extend to business men and other well-wishers in this city all the advantages to be derived from the club. It is necessary first to ascertain approximately the support upon which the club can rely before any important step can be taken. All donations will be set aside for the purchase of equipment, reviews, etc.

Book Exchange Now Open For Business

THE Book Exchange has opened for the second session and business is now actively carried on. The hours are from ten to one, and from two to five o'clock every day of this week until Friday afternoon.

The past few days has seen a brisk demand for books, especially those required by first year students. Comparatively few books have been turned in thus far, and the executive of the Exchange advise all those interested in selling any of their old books, to deposit them without delay.

Books in demand are Mellone's Logic, College Algebra, and all second term Sociology books. There are a large number of Romaine's Dr. Knock, at the Exchange.

International Contact Establishes Redmen as Formidable Opponents

FRANK CAMPBELL IS OUTSTANDING SKIER

Two Graduate Members Remain Behind For Further Contests

FULL of enthusiasm over their successful invasion of international skiing fields, the McGill Red Ski Team, composed of Captain Jack Houghton, Frank Campbell, Bill Ball, Walter Dorkin and Peter Reynolds, accompanied by two graduate members, Sterling Maxwell and Harry Pangman, returned last night from St. Moritz, Switzerland, where they competed against representative teams of well-known European Universities. The Red men climaxed several outstanding wins in events against the British Universities of Oxford and Cambridge by a thrilling victory in the International Ski Relay in which they led the best of European representatives to the finishing line.

Frank Campbell, who established an enviable record for himself last year in competition with the British Universities in the Laurentians, more than repeated his excellent achievements when he captured the British championship in the cross-country as well as slalom races. On top of this he established himself as one of the finest collegiate skiers in the world by

Debate In Spanish Will Be Held Soon

Spanish Program Includes Addresses By Prominent Speakers

An auspicious program, including a debate in Spanish, an address in Portuguese and several lectures in Spanish, has been drawn up for the rest of the season by the newly-formed Spanish Club. The debate will take place on Tuesday, January 31st, and the subject will be "Resolved that Spain will prosper more under the Republic than under the old monarchy."

This debate will be followed by a series of weekly lectures on subjects concerning Spain. These lectures will all be followed by general discussion and refreshments. These meetings take place weekly in the Grill Room of the Union.

The executive wish to remind all intending members who have not paid their subscriptions (\$2 for University students and \$3 for non-University members) that this should be paid to the treasurer, A. Brodie, before January 30th. A charge of 40 cents payable at the door for each lecture will be made in the case of all students or others who have not become members.

The executive likewise wish to extend to business men and other well-wishers in this city all the advantages to be derived from the club. It is necessary first to ascertain approximately the support upon which the club can rely before any important step can be taken. All donations will be set aside for the purchase of equipment, reviews, etc.

Basketeers Show Form In Preparation For Varsity Tilt

First Cage Squad Wins In Exhibition

Outplay "Big Six" Team Decisively to Gain 41-16 Victory

RED TEAM FUNCTIONS WELL IN CAGE TILT

Young Exhibits Old Form Though Playing Only Second Game

IN their last exhibition game before meeting Varsity this Friday, McGill's intercollegiate basketball squad allowed their opponents but four baskets, when they defeated by an overwhelming 41-16 score the Nationale Big Six entry at the M. H. S. gym on Saturday night. The Red team, composed of men each of whom is a star in his own right, played clever and unselfish basketball in administering this severe setback to Eddie Gronau's boys. Coach Van Wagner, who as a rule refrains from showering his players with praise, expressed himself as well pleased with the performance of his charges. This augurs well for the Redmen's chances to retain the intercollegiate cage title for yet another year.

Half-Time Score 13-2

The margin that McGill held at half-time indicates to some extent the superior brand of basketball that Mel Rice's men dispensed on Saturday night. McGill began to score right from the opening whistle and kept it up until the end of the game. Don Young's clever performance drew cheers of appreciation from the audience on many occasions, and with the rest of the team working like clockwork, the issue was never in doubt for an instant. The score mounted steadily and half-time found the Red team leading the Nationale 13-2.

On the resumption of play, Coach Van Wagner sent in Carvel Hammond, Jerry Lee and Don Small to afford them an opportunity to exhibit their wares — which they did handsomely. Lee, who has lately been troubled with a bad knee, appeared fully recovered, and ably supported Bob Calhoun during his sojourn on the floor. The work of the defence in nullifying the efforts of the Nationale forwards and of Lew Newton, giant guard for the visitors — in particular, was extremely edifying to the Red team's supporters. Melville, who is deservedly considered one of the best shots in town, was able to break through the Red defence but once. In all, he accounted for 10 of his team's total, but of these only three shots were field goals, two being shot from far out. This sterility on the part of some of Montreal's sharpshooters speaks volumes for the airtight defence offered by Rice, Calhoun and Lee.

Hammond, Talpis Skine

Two former teammates on Coach Van Wagner's City League team opposed each other on Saturday night, when Hammy Hammond and Bunny Talpis performed under different colors. Talpis — now a rising young business man — is playing good ball for Nationale and, though he failed to score, engineered numerous good plays, and assisted Melville in two of his baskets. On one of these occasions, it was in an attempt to atone for a rather poor play, when Calhoun stole up and nonchalantly dispossessed him of the ball, that Bunny duplicated Calhoun's effort and in turn took the ball from Hammond, to give Melville the pass for his second basket. Hammond, playing his first season for the Intercollegiate, displayed good ball-handling ability and connected for two nice baskets early in the second half.

Young's play elicited much favorable comment throughout the game, his ball-handling being as deceptive as ever. This is but the second game this year in which he has participated, but gave a polished exhibition despite that. Lewin and Faulkner played well and unselfishly, the latter's finger being quite recovered. Faulkner had his eye on the basket in fine style, being high man with 11 points. Melville came next with 10 and Lewin and Rice each garnered eight points.

The teams:

McGill: Rice, Calhoun, Young, Lewin, Faulkner, Small.

Nationale: Robertson, Lamb, Schuller, Talpis, Emma, Gall, Newton, God-sall, Melville.

Referee: Luke Bannon.

R. V. C. HOCKEY

The usual hockey practice will be held on Wednesday afternoon at 2.00 p.m. in the Mt. Royal arena. The following girls are expected to be out: Grant, Stevenson, Werner, McKinnon, Hughes, Walbridge, Nicholson, Halpenny, McCuaig, Chadwick, Dawson, Howard, Vlssenger, Huskins, Alkman, Dunn, Boyd, Goulding, Tait.

McGILL WINS IN FAST GAME WITH MONTREAL WEST

Wilson And Letourneau Form Strong Defence For Red Intermediates

McGill's Intermediate puck squad chalked up their second victory of the season when they downed the hard-checking Montreal West sextette, last Friday night at the Loyola rink, by a score of 3-1. The score, however, does not indicate the correct difference between the two teams, for the Redmen outplayed and outskated the West Enders, and missed many scoring opportunities. Ross Wilson and Charlie Letourneau were outstanding for the Bellmen with their effective checking and dangerous rushes. Wilson fattened his scoring average by two points, a goal and an assist, while Letourneau scored the last goal on a lone sally from his own defence.

In a wild and rugged preliminary Trencher-Park beat a fighting team of Indians from Caughnawaga, by the overwhelming score of 7-1.

McGill Score First

The Redmen opened the first period with a rush that had their opponents cooped up in their own defensive area and the period was only a few minutes old when Carsley, whose back-checking around centre was a constant worry to the opposing forwards, slipped a neat pass to Ross Wilson and the Montreal West goalie didn't have a chance on the shot that the McGill captain burned into the corner. The Bellmen did not let up and the gong went with the opposing goaler desperately kicking out pucks which the Red forwards showered upon him.

The second frame was a repetition of the first with the Crimson Clan again forcing the play. The Montreal West defence was rather shaky at times, but the excellent playing of Read, their net-minder, saved them from a worse fate. Pierson, who hails from Macdonald College, turned in an excellent game in the McGill goal. Bob McDuff, fast skating forward, was at his best in this period, peppering the Montreal West goaler remorselessly. He missed what looked like a sure goal when Read dropped to the ice to grab the rubber from his stick as he tore in on the nets.

Montreal West Score

The Blue and White team staged a desperate rally at this point, McCarry being particularly dangerous with numerous rushes from the defence and clever play around the Redmen's nets. Barry was also one of the West Enders' principal threats. The Redmen fought off their opponents' rally and in turn staged one of their own, which netted them a goal. This time it was Bill Tait who dented the twine on a pass from Ross Wilson. The period ended before the Montreal West squad could score and the Redmen skated off the ice with a two-point lead.

The blue-clad sextette started off the third frame with a rush and managed to get the puck past Pierson for their only counter of the contest on a pretty effort by Johnston and Barry. McGill did not falter and, with seconds to go, Letourneau smashed through the opposing defence to ram the disc into past Read, and make the final score 3-1.

Varsity Win Close Victory Over Blue And Gold Sextette

Varsity's vaunted hockey sextette were forced to unleash a terrific attack last Saturday in a desperate effort to overcome a fighting U. of M. team, which had gained an early lead. The game resulted in a two to one victory for the Blue and White puckchasers.

Behind one goal at the end of the first period Varsity went to the front by scoring two goals in the second, while holding the visitors scoreless. This completed the scoring for the night, although the Montreal net was continually bombarded by Blue and White hockeyists.

Jean Elie, rugged U. of M. defenceman scored his team's only goal when on his first rush of the period he circled the Varsity

McGill Players To Compete In Tennis Championship

Wilson, Murray And Watt Will be Representatives In Tournament

A NUMBER of McGill's star tennis players will compete in the opening day matches of the Canadian Indoor Tennis Championships on the courts of the Montreal Tennis Club tomorrow. Ross Wilson, Bob Murray, and Laird Watt are the entrants who will receive their first taste of competition in the opening day's matches.

The tournament has an attraction, as well, from an international aspect. The entry lists include such men as Hon. Peter Altick, of England, Fulton, Shields, Hall and Burns of the United States, and Charlie Leslie and Marcel Rainville of Canada. With this galaxy of celebrities on hand, the McGill representatives will have to uncoil brilliant tennis to gain entry to the final rounds.

Morrice and Leslie are two McGill graduates who will give the best battle royal in the singles competition. In the doubles Laird Watt and Bob Murray have paired up, and will see action, as a team, tomorrow.

Junior Puck Squad Meet Vics Tonight

Stand Good Chance To Gain Second Place

FAST GAME EXPECTED

Tonight at the Forum, the McGill Junior hockey team has a chance of regaining second place in the J.A.H.A. standing when they stack up against Victorias in the first game of the weekly doubleheader of the Junior league. Loyola and St. Francis meet in the second game and a victory for the West End collegians would greatly enhance the Red team's chances of getting in the league play-offs.

Victorias so far have offered little opposition to the Red Juniors and should not prove much of a stumbling block to the advance of the McGill team. Last Monday the juniors defeated the greatly improved Loyola sextette after a spirited game which saw the maroon-clad players score two goals before the Redmen got properly started.

The second game between Loyola and St. Francis Xavier tonight should prove the feature of the evening as the Loyola team have improved greatly since the beginning of the season and should give the Frenchmen a hard battle. If Loyola should defeat the Saints and the Redmen win they will be firmly entrenched in second place and favored to remain there to the end.

Students Perform Well In City And District Badminton

THE Montreal City and District Badminton Championships uncovered some excellent players among the several students who entered. In the singles tournament, H. C. Bowen proved the nemesis of two aspiring McGill players when he eliminated E. H. Seely and George Challes respectively, in some excellent matches. Seely, partnered with G. K. Reynolds, a student in Engineering, later reached the finals in the doubles, but dropped a close match to a more experienced team in the veteran McKean-Burrows combination. Seely and Reynolds intend entering the Canadian Championships and should have no difficulty in being eligible for the doubles on the basis of this showing.

Mary Malcolm of Arts I, reached the finals of the girls' singles only to be eliminated by Miss Bonnar. George Marler and L. Schlemm reached the quarter-finals in their section but were likewise eliminated at that stage.

WOMEN'S RIFLE CLUB

There will be a regular meeting of the R. V. C. Rifle Club in the Montreal High Range this afternoon at 5.00. The class will continue until 7.00 to give everybody a chance at shooting. All those interested are asked to attend.

rear-guard, and after faking a pass, fired a sizzler past Frankie Shipp, in the Blue and White nets.

Varsity's first goal was netted by Art Grant, who picked up a rebound to beat Goalle Martel. His next counter was notched when the teams were each playing a man short, and resulted from a scramble round the Montreal goalmouth.

CITY LEAGUE CAGE TEAM DROPS CLOSE CONTEST TO N.D.G.

Red Team Much Improved In Fast Tilt; Score 33-26

In a spirited contest of the M.H.S. last Saturday night which must have thrown quite a scare into a highly-touted basketball aggregation from the N.D.G. Community Club, McGill's City League team dropped a close decision to the latter squad, 26-33. The Redmen showed a complete reversal of previous form by holding the strong West Enders to a meagre seven-point majority. Coach Van Wagner shifted his men about in various combinations, and seems to have found an effective line-up in the persons of Ross Halpenny, Condit, Weber and Shandro, who were all effective for the Red team.

The first half opened in a series of fast moving plays which resulted in two N.D.G. baskets and one McGill score within the first few minutes. The Community Club impressed with their uncanny ability to sink long shots from practically any angle, while McGill were effective in advancing the ball for close shots at the opposing basket. Oakie Ross, Weber and Shandro garnered 13 points for the Reds in this stanza, while Buster Allan, Len Hutton, Felvus and Mills sank the sphere for a total of 19 points. McGill were penalized five times in the first half, while N.D.G. suffered three penalties.

In the second half, the McGill defence functioned much better, holding the brown-clad basketweavers to 14 points, while the Red forwards again obtained 13. Oakie Ross provided the spearhead for the collegians' attack, sinking two baskets and one penalty shot. Shandro and Weber connected for the other eight points. For N.D.G., Allan, Hutton, Felvus and Mills were again effective. McGill were penalized nine times in this frame, Condit being forced to come off for four personals. N.D.G. fouled their opponents six times.

The final score read N.D.G., 33; McGill, 26.

League Enjoys Good Start

The Big Six race is now well underway, with unexpected victories already providing complications. While McGill were being defeated on the Montreal High floor, Top Notch were administering a thorough trimming to the strong Beaver squad at Baron Byng High School, 34-24. The standing at present shows N.D.G. and Nationale bracketed at the top of the heap with two victories and no defeats, while Top Notch and Sun Life share the second-berth, each having one win and one loss. In last place are Beavers and McGill, debilitated with two losses each.

On Wednesday night of this week, Nationale plays Top Notch, while the latter club meets McGill Friday night. Saturday brings together N.D.G. and Sun Life. Thus, the coming week should see some important changes in the positions of each team. Friday's double bill at the M.H.S. gym should prove a highlight of this season's court activities. Toronto Varsity will meet McGill's Intercollegiate in one game, while the Seconds meet Top Notch in the other.

The teams:

McGill: Ross, Halpenny, Condit, Shandro, Wilson, Sellar, Aspler, McCroym, Weber.

N.D.G.: Mills, Whittall, Felvus, Allan, Woo, Carson, Hutton, McGill.

Referee: Doug Jones.

JUNIOR AND INTERMEDIATE HOCKEY

Annual Intermural Gymnastic Tourney Scheduled Friday

HAY FINLAY'S gymnasts will have a chance to prove their worth on Friday, January 27 in the Montreal High School gym in competition for the Wicksteed medals for Intramural Gymnastics. It is from the showing that the men make in this meet that the intercollegiate team to compete against Varsity will be picked. The Intercollegiate Meet is to be held at Toronto this year on Feb. 25. This team will also meet Dartmouth on Feb. 6 in the Westmount "Y", and three teams will be entered in the Provincial Meet in the Central "Y" on Feb. 17.

In the Wicksteed Meet, the competitors are required to perform two set exercises and one voluntary exercise on each of four pieces of apparatus. Competitors will be divided into three groups, i. e., Freshmen, Intermediate, and Graduating Years. They are to compete for the Dr. F. W. Harvey Cup, Wicksteed Silver and Bronze medals respectively. Coach Finlay has urged all gymnasts to enter, including many who came out early in the season. They are certain to find these competitions invaluable.

taking first place in the international langlauf event. To him also goes the honor of covering the fastest lap in the inter-University relay.

Despite a general shortage of snow, which hindered the down-hill races to some extent, the Redmen found conditions practically perfect for their visit. A royal welcome was accorded them on their arrival in St. Moritz when the English party, attired in dinner jackets and numbering about 100, met them at the station, accompanied by the proverbial village band. It was necessary for the McGill skiers to become accustomed to the rarified atmosphere of their surroundings and four or five days were spent quietly at their inn before they were permitted to don their skis. Once they team demonstrated that strange skiing had become used to the air the Red grounds were no hindrance to excellent performances.

This they especially proved in the British Langlauf Championship, their first taste of foreign competition. In this they captured no less than five of the first seven places. In the following week the British Salom championships were run off. Before this race, however, the McGill skiers took advantage of spare time and practiced for three days previous to the race on the designated course, along with members of the rival teams. The race, which proved a particularly close one, went to Frank Campbell, followed by Green of Cambridge, Taylor of Cambridge and Houghton of McGill. The Relay race necessitated a five man team which was provided by Campbell, Ball, Jost, Pangman, and Houghton and the subsequent win was especially satisfying as not only did they defeat their old rivals the Oxford-Cambridge aggregation, but likewise took the measure of crack ski representatives of European Universities.

Articles Should be Accurate

(Continued from page 1)

tion anonymously received should always, if possible, be checked up before constituting it in a story.

Should be Impersonal

Stories should also be impersonal, continued the speaker. There is no necessity for using the words "I" or "we." Also the interviewer should never be introduced into the story. It is also essential that names be correct, as some people are offended if their name is spelled incorrectly. Redundancy should likewise be avoided and titles should also be correct. Above all personal bias and prejudice, either racial or political, should never be introduced into a story.

The speaker illustrated his points by several actual newspaper stories and gave the audience several points to observe in the case of different kinds of articles.

REVUE

24.2 COSTUMES

Girls interested in helping make costumes for the Revue please see Miss Fairie in the Revue Office this afternoon after four. This does not include those who came down Saturday.

25. CHORUS

The girls who were not eliminated Friday will meet in the Revue Office this afternoon at 4:30 so that choruses for two numbers may be definitely chosen. This is not a rehearsal, so gym tunics, etc. will not be necessary. Those who have 4-5 lectures may come at five.

Those who were not measured for costumes Saturday will have this done this afternoon.

The next dancing rehearsal will be held Wednesday afternoon at 5:15 in the Union Ballroom. All girls must be present and on time at all rehearsals from now on, as there are but six full weeks before the show goes on. Three absences without good reason will be regarded as sufficient cause for automatic suspension from the chorus; a late counts as half an absence.

Distinguished Peer to Lecture

(Continued from page 1)

He was aide-de-camp to Lord Curzon, when the latter was Viceroy of India, and in 1928, wrote a monumental biography of that statesman, a biography which ranks in importance with the greatest biographies of English Statesmen.

From 1917-1922, the Marquis of Zetland was Governor of Bengal, and during his regime, he endeared himself to the population by his firm and just handling of the important crises that arose. He has made a close study of Indian religious, mysticism, producing a trilogy of volumes: "India: A Bird's Eye View," "Lands of the Thunderbolt," and "The Heart of Aryavarta." He has been president of the Royal Geographical Society, The Royal Asiatic Society. He has received honorary degrees from three British and two Indian Universities. He is, in addition, a keen sportsman, taking particular interest in racing.

of Montreal man will be on both sides. This Wednesday evening the Debating Union will hold a Practice Night in the Union. This experiment under the name of "Beginners' Night" was tried earlier in the year and according to the executive was successful enough to warrant its continuation. The subject one that will be discussed at the coming Mock Parliament. Edmund Collard, President of the Debating Union, will be in charge. The critic for this event has not as yet been decided upon.

Old Boys' Debate

Plans are also under way for an "Old Boys' Debate" in which McGill graduates will participate. This will probably take place in March. McGill will also pay the University of Vermont a return visit in a few weeks when a team composed of Marshall and Dolg will be sent to the Green Mountains. News was recently received from Queens to the effect that it won't be able to meet McGill in a home-and-home debate as in past years, the reason assumed, being because of financial matters. Likewise the annual practice of meeting Cornell in two debates will not take place this year, the Debating Union having received a letter to this effect.

Naval Academy at Annapolis, Md., is cited as an excellent example of the type of March desired. Words should be submitted with the music but will not have as much bearing on the judges' decision as the music.

The Students' Songs are to be of a more informal nature. Short catchy airs such as "James McGill" are desired but it is essential that the tunes be absolutely original and that words be submitted with the music.

Further information concerning the

McGill March and Song competition may be obtained from Mr. Gordon Glasco of the Graduates' Society while all compositions must be addressed to R. F. Shaw, McGill Union, before January 31st.
